

North Schuylkill School District Chromebook Damage Repair Plan

The North Schuylkill School District is self-funded, so please help us keep premiums and deductibles low by taking very good care of the Chromebook. The provisions in this Plan restrict coverage. Please read the Plan to understand your family's rights and responsibilities and what is covered.

A. Costs

1. Yearly premium of \$25.00. This premium is good for one school year.
2. If there is a claim under this Repair Plan, there is a standard **per-breakage deductible of \$25.00** for the second claim. The first claim is covered by the Repair Plan Premium.
3. Students who have Repair Plan claims on their Chromebook more than two times during a school year, for their regular, loaner, or replacement Chromebook, will face higher per-breakage deductibles. **The deductible for the third Repair Plan claim, and any claims thereafter, will be the total cost of the repair per claim. Lost power cord replacement cost will be \$30.00.**
4. The school administration has the final say in determining Repair Plan coverage and repair situations.
5. After September 15, 2025, no refunds will be issued.
6. Repair Plan Premiums are due 10 (ten) school days following student enrollment date.

B. Covered Equipment

1. The coverage provided applies to any Chromebook issued to your child by the North Schuylkill School District, whether it is the originally issued Chromebook, a loaner, or a replacement.
2. The deductible is the same, whether the machine is the original, a loaner, or a replacement Chromebook.
3. There will not be an additional premium for the use of a Chromebook loaner. Your child's yearly \$25.00 premium covers their original Chromebook and any other Chromebook issued to your child for the current school year.

C. Exclusions

The North Schuylkill School District will **not** pay for loss or damage resulting from the following:

1. Not informing the Main Office **immediately** of damage to the device may void the Repair Plan coverage for that incident. Examples being: damage from a liquid spill, dropping of the device that may expose internal parts.
2. Damage caused maliciously/on purpose to the device.
3. Dishonest, fraudulent or criminal acts.

D. Claim Procedures

1. Go directly to your school's main office.
2. The Technology Department will examine the Chromebook to determine if there is a qualified Repair Plan claim.
3. If there is a claim, the computer technician will fill out the appropriate paperwork and inform the office staff. You will receive a telephone call, letter and/or email from office staff when a claim is filed on your child's Chromebook.
4. Once the claim is in process, a loaner will be issued to the student.

Chromebook Repair Cost Schedule (with Damage Repair Plan Paid Premium)

Incident	Damage	Cost
1st	Accidental	\$0
2nd	Accidental	\$25.00
3rd	Accidental	Cost of repair or replacement of device (\$325.00 as of July 2025)
Any	Misuse, neglect, intentional damage or loss	Cost of repair or replacement of device (\$325.00 as of July 2025)

How to Care for your North Schuylkill School District Chromebook

General Precautions

- Chromebooks should not be placed on soft surfaces or laps during use due to potential overheating.
- No food or drink should be next to Chromebooks.
- Cords, cables and removable storage devices (e.g. thumb drives) must be inserted carefully into the appropriate port on the Chromebooks.
- Chromebooks should not be used or stored near pets.
- Chromebooks should not be used with the power cord plugged in when the cord may be a tripping hazard.
- Heavy objects should never be placed on top of Chromebooks.
- Chromebooks should never be loaned to another student or individual during the school day or otherwise.

Carrying Chromebooks

- Always transport Chromebooks with care.
- Students should hold the Chromebooks (cover closed) with two hands if they need to carry the Chromebook.
- Never lift a Chromebook by the screen.
- Never carry a Chromebook with the screen open.

Opening and Closing Chromebook

- Open and close the Chromebook only when it is resting on a flat surface such as a table or desk.
- Do not attempt to force open the screen beyond its angle, as the screen will break if forced.
- Before closing the screen, make sure there is nothing on the keyboard to prevent the full closure of the device.
- Obstacles on the keyboard could cause broken screens or damaged hinges.
- Close the screen gently using two hands – one at either corner of the screen.

Screen Care

The Chromebook screen can be damaged if subjected to heavy objects, rough treatment, some cleaning solvents and other liquids. The screens are particularly sensitive to damage from excessive pressure.

- Do not put pressure on the top of a Chromebook when it is closed.
- Make sure there is nothing on the keyboard before closing the lid (e.g., pens, pencils, or disks).
